MONTH AT GLANCE

During the month of July, the Neighborhood Coyote Program continued to document reports and share relevant information to residents who reported coyote activity in their neighborhoods. The Neighborhood Coyote Program also said goodbye to an awesome colleague in Ana Bordallo, who is off to Harvard Law School. But we look forward to welcoming two new colleagues in August!

During the month of July we also welcomed our new mascot, Kyle E. Coyote. He is available for any and all community events, so please keep us in mind for future events and make sure to request Kyle!

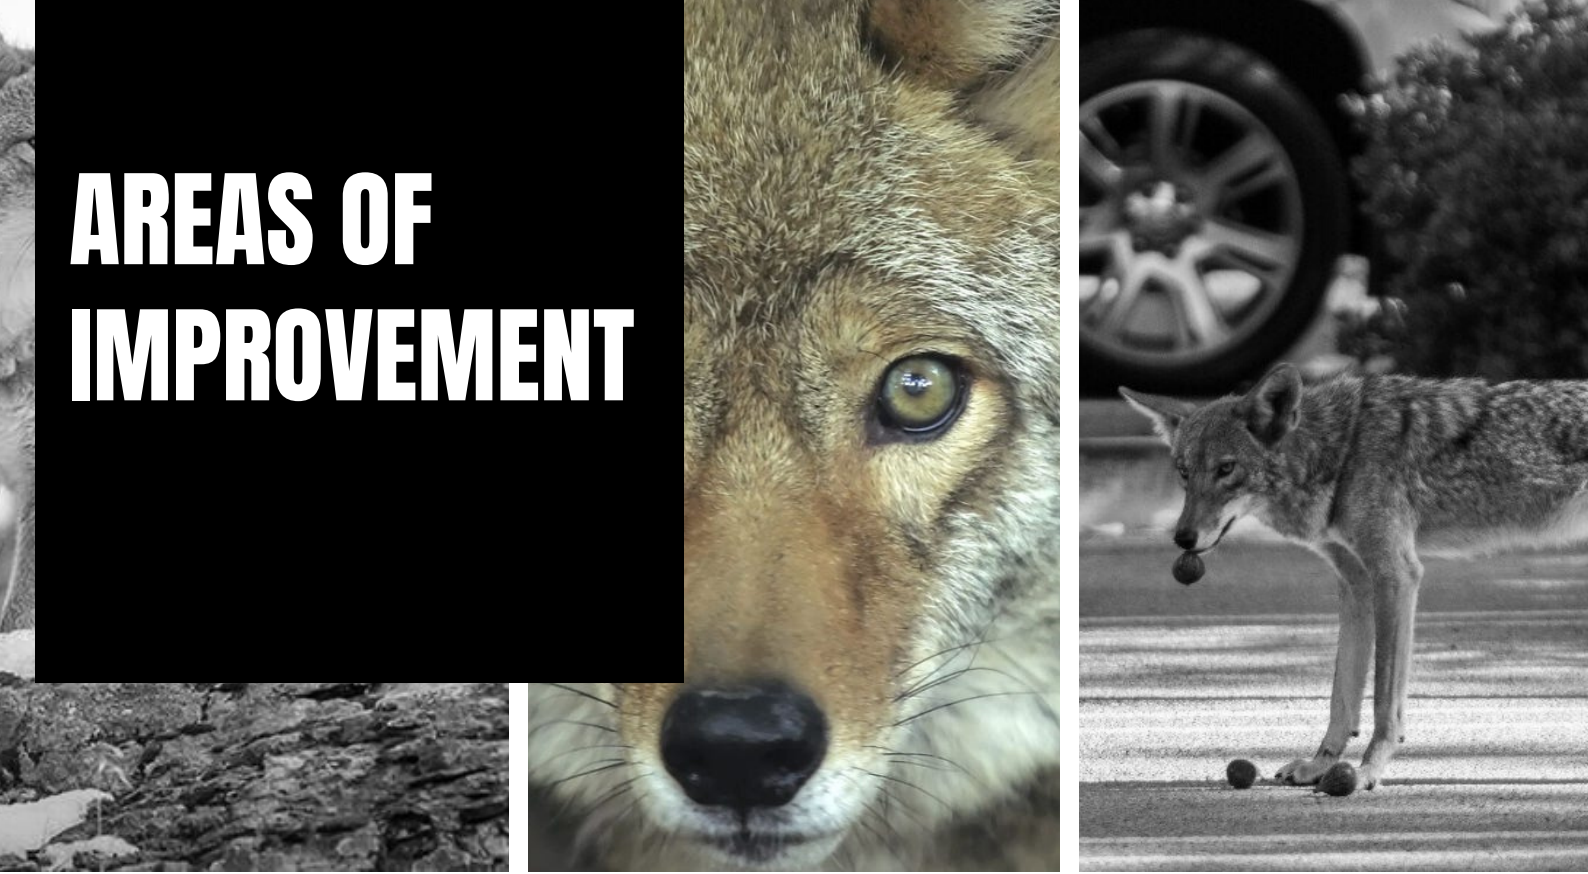

MONTHLY TOTALS AND RESPONSE LEVELS

Within the City of Rosemead, there were 2 reports of coyote interactions for the month of July. Both reports were classified as Response Level 1. Response Level 1 includes hearing or seeing coyotes. There were 3 coyotes reportedly seen in the City of Rosemead.

Please find detailed data in the attached document.

AREAS OF IMPROVEMENT

Please be sure to follow us on Twitter (@SGVCOGCoyotes), Instagram (@SGVCOGCoyotes), and Facebook (@SGVCOGNeighborhoodCoyote)! We will be posting seasonally relevant coyote safety information throughout the year.

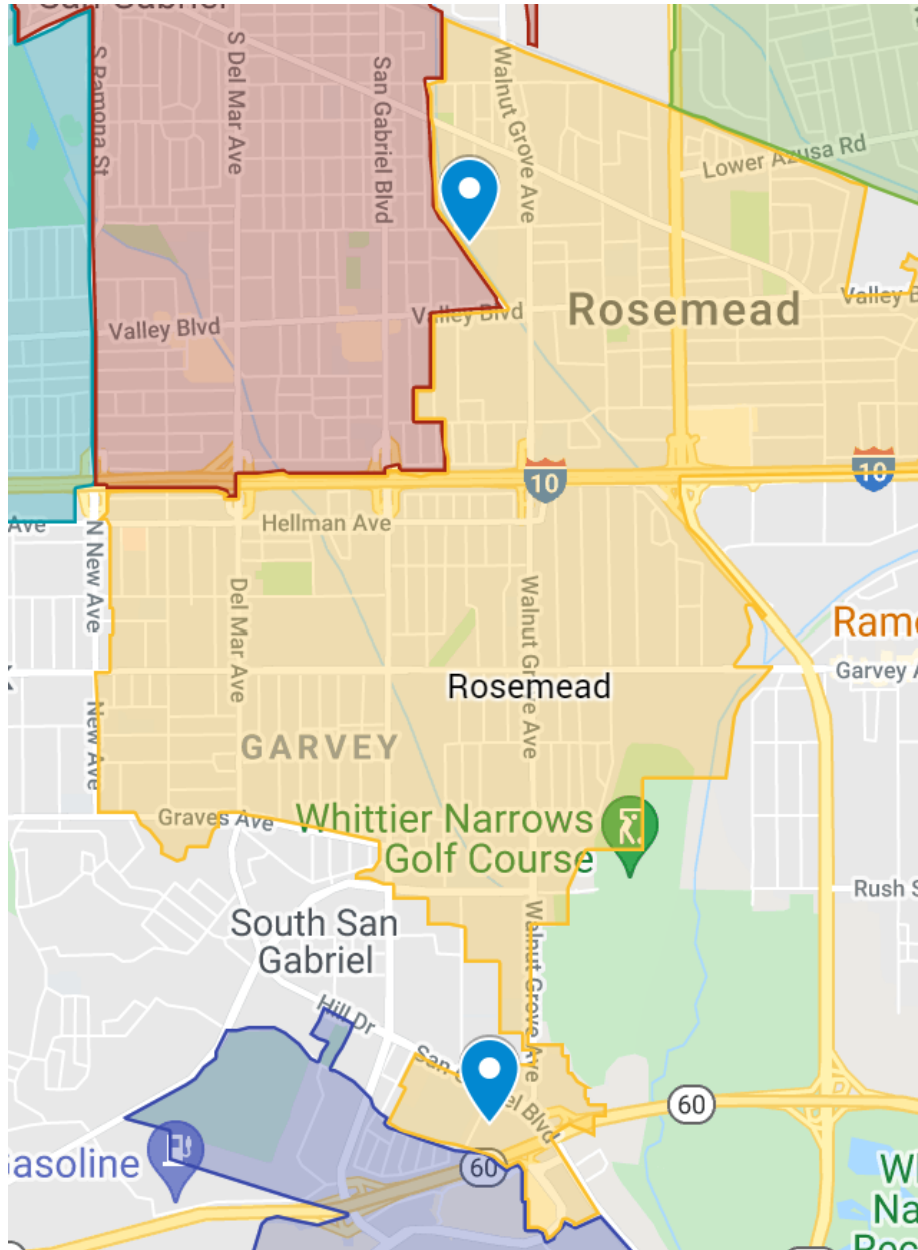

We are also placing special emphasis on community events! If you have any in mind or can connect us with homeowner's associations, Kiwanis Club, or any other organizations, we would greatly appreciate the assistance. We also have our new mascot Kyle E. Coyote who can make an appearance!

Please note that we have Coyote Safety Coloring Books and brochures available for residents in English, Spanish and Chinese. If you would like to distribute these to your community or display them in a public lobby, please contact us to coordinate.

Finally, don't forget to include information about the Neighborhood Coyote Program on your website, in social media posts, and in newsletters to ensure residents know how to report coyote sightings to us. The three main methods are:

- Online: sgvcog.org/coyotereporting
- Coyote Hotline: (626) 278-8039
