**BEST TIME TO CALL**

Generally, the busiest time for phone calls is between 6 a.m. and 9 a.m. Calling after these hours can possibly reduce your hold time.

**BOOK A ROUND-TRIP**

It is best to book a round trip reservation when calling, to assure your return time is not full.

When booking medical appointments, please estimate your return time, so that we may better serve you after your appointment. If your appointment is running late, call us from the doctor's office, and we will do our best to accommodate you.

**Affordable Transportation Provided by the City of Rosemead**

**PLAN YOUR TRIP BASED ON YOUR DESIRED ARRIVAL TIME**

Let the Rosemead Dial-A-Ride customer service operator know what time you would like to arrive at your destination. By doing so, the operator will help you plan a pickup time that will get you where you need to be, on time!

**SCHEDULE CHANGE WITH THE SERVICE OPERATOR, NOT THE DRIVER**

To ensure that you and other passengers arrive at their destination on time, call the operator to make changes to your schedule.

**CANCELLATIONS AND NO SHOWS**

Do you have a sudden change of plans? Not a problem! Call to inform us at least two (2) hours prior to your scheduled pick up. Drivers only wait 3 minutes outside of your residence before proceeding to the next pick up. If you are not outside, the dispatcher will attempt to reach you by phone. If we are unable to reach you, it will be considered a "No Show". Too many no shows could result in a suspension of your Dial-A-Ride service.
